## **Summary**

I am a highly versatile web developer seeking a full-time role where I can combine my passion for learning and my skill in web development. I bring over six (6) years of Security Intelligence experience in protecting and preserving non-military government assets as well as a Nanodegree in Full Stack Web Development.

## **Skills**

Proficient: Python, Flask, SQLAlchemy, PostgreSQL

Moderate: HTML5, CSS, SQL, Docker, Kubernetes

## **Projects**

**Coffee Shop, June 2022 - <https://github.com/Omotola-Olasope/cd0039-Identity-and-Access-Management>**

- Secured a RESTful Application Programming Interface (API), Implemented authentication and authorization in Flask as well as role-based control design patterns.
- Deployed the project to the cloud using Docker and Kubernetes.

**Trivia App, June 2022 - <https://github.com/Omotola-Olasope/cd0037-API-Development-and-Documentation-project>**

- Built, developed, and tested all API endpoints.
- Provided detailed documentation of all API endpoints.

**Fy-yur: Artist Booking Site, June 2022 - [https://github.com/Omotola-Olasope/ALX-TUDACITY/tree/main/projects/01\\_fyjur/starter\\_code](https://github.com/Omotola-Olasope/ALX-TUDACITY/tree/main/projects/01_fyjur/starter_code)**

- Converted a backend mock-up into a fully running backend with Python, Flask, and SQLAlchemy.

## **Work Experience**

**Security Intelligence Officer**

June 2016 - Present

Federal Government of Nigeria

- Analyzing information about the State and Nation to assess developments, trends, prediction models, and threat implications within identified geographical areas.
- Delivering intelligence and supporting personnel with strategic assessments, tactical analysis, and operational advice.
- Ensuring absolute safety and protection of government assets and deploying adequate security measures, leading to an enhanced overall security posture.

**Customer Relations Officer**

September 2015 – May 2016

United Bank for Africa (UBA), Lagos, Nigeria

- Provided prompt resolutions to customer complaints and conducted accurate and timely processing of local and foreign transactions which aided in sustaining the institution's objectives of being the leading financial services institution in Africa.

## **Education**
